Theme: Six Thinking Hats

About MGM IMSR

MAHATMA GANDHI MISSION IMSR (MGM) was established in the year 1994 with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques.

About RaRa AvIs

We proudly present you "RaRa Avis" a management festival organised by MGM IMSR's cultural committee from 11th February to 13th February, 2015 at MGM Educational Campus, Kamothe.

RaRa Avis which takes its name from the Latin word for "rarely encounters". It is a management festival, created with the goal of providing a platform for our students to demonstrate their wonderful and sometimes hidden talents and skills. The festival is organised annually with a wide variety of management and fun events highlighted by dance and music competitions, treasure hunts, fashion shows, sports.

RaRa Avis-Think HATke the theme of 2015 is based on Six Thinking Hats a book by Edward de Bono which describes a tool for group discussion and individual thinking involving six coloured hats. By mentally wearing and switching "hats," you can easily redirect thoughts.

So if you want to get ahead get a hat and to find it join us and experience the grand flight of RaRa Avis.

Dare to be different-Think HATke.
