About MGM IMSR

Mahatma Gandhi Mission's Institute of Management Studies and Research (MGM IMSR), an ISO 9001: 2000 certified Management Institute established in 1994 under the Mahatma Gandhi Mission's umbrella of educational institutes is set in a campus of 20 acres on NH - 04 and Sion Panvel Expressway with state of the art facilities and infrastructure. MGM's sincere endeavor has been to strive towards management excellence in building of a management school, which would intricately weave together practice and theory and evolve meaningful strategies to promote a healthy business attitude. MGM IMSR has carved a niche for itself in the academic world due to its unique work philosophy and deep seated commitment towards realizing and fulfilling the goals set.

About JJT University

Shri Jagdishprasad Jhabarmal Tiberwala University came into its pious existence in 2009. It has been sponsored by Rajasthan Seva Sangh Mumbai, a registered trust of Industrialists, business houses who have their roots in Rajasthan with a view to uplift the academic and economic growth of their native area. The University is located at Vidyanagari, Chudela, Jhunjhunu-Churu road, Jhunjhunu. The University has been marching ahead on its uphill journey since its inception. The University is seeking strategic alliance and academic collaboration with top most Institutes in the field of research and other disciplines. The University is research oriented and is focusing on innovations and research.

About The Conference

Innovation driven growth is no longer the prerogative of high income countries alone, some developing countries have achieved significant economic growth through the creation and deployment of Science Technology and Management (STM) capacity.

STM will need to be made more participatory and inclusive so that there is public engagement in the scientific endeavor from the full spectrum of social actors, including women, youth and indigenous communities. The least developed countries will require dedicated support to bolster their efforts to build STM capacity

CONFERENCE THEME – 'Innovations in Science, Technology and Management for Sustainable Growth'
